

The treemap displays the hierarchical distribution of 1000 items. The top-left quadrant (Red) represents 400 items, the top-right (Teal) represents 200, the bottom-left (Green) represents 300, and the bottom-right (Yellow) represents 100. The Red and Green categories are further subdivided into smaller units, while the Teal and Yellow categories are represented by larger, more uniform blocks.
